| <p>The Rajiv Gandhi Zoological Park, located on the Pune-Satara Highway is a famous and unique attraction of Maharashtra. The park is close to Katraj bus depot and 8 kms from Pune by road along the Pune-Satara Highway. Private vehicles, 6 seater rickshaws from Swargate, buses etc. are the various modes of transport available to reach this location. A vast collection of snakes, birds and turtles can be seen at this park. The park remains open throughout the year, but summer is the best time to visit. The park houses various species of snakes which is a major attraction of the place. It can be said that, the park facilitates the conservation of these species. The uniqueness of this park lies in the fact that it is a zoo along with snake park.</p> |    |
